

what is a Bluebox?

Bluebox is a self-serve vending machine that provides health items—like naloxone, condoms, first aid kits, and beyond—anonously and free of charge. Each Bluebox is customized to meet specific community needs.

how does it work?

Bluebox is simple to use — no ID, no judgment, no cost. Just what you need, when you need it.

- 1 Walk up to a Bluebox.
- 2 Select the items you need from the touchscreen menu.
- 3 Receive your items instantly—no registration required. It's that easy.
