

Levasy

City Summary

Levasy is one of the smallest communities in Eastern Jackson County (EJC), with an estimated population of 104 people in 2024 (+30% from 2019). Residents of Levasy have one of the highest estimated poverty rates amongst EJC communities in 2024, though their percentage of homeowners cost-burdened by housing costs is also one of the lowest. Unemployment rates are also estimated to be very low. Rates of chronic health conditions in Levasy are generally lower than the EJC average, but depression estimates are in the top 25% of EJC communities. *Due to small population size, estimates are less reliable than in larger cities and have a wider margin of error.*

HOW TO READ THIS CITY REPORT

The figures in this report are ranked by percentile and marked as follows:

- Value in the highest 25% of EJC communities
- Value in the middle 50% of EJC communities
- Value in the lowest 25% of EJC communities
